

Looking for a Fall Internship?

Part-time openings at the Florida Fish and Wildlife Conservation Commission in Tallahassee!

August 28 *through* December 15, 2017

- The Gopher Tortoise Conservation Program is now accepting intern applications for the fall term, in unpaid positions potentially qualifying for 3-6 hours of course credit.
- Upperclassmen and graduate students of all majors are eligible to apply. A minimum GPA of 3.0 is required. Individual talents and skills are matched with course credit goals and the type of work opportunities available.
- We are looking for applicants with strong written and verbal communication skills and an interest in gaining experience in wildlife conservation, public relations, or data analysis.
- Our team is composed of people committed to conserving wildlife, and they bring that passion and purpose to the job. If that sounds like you, we encourage you to apply!
